

GENERAL STAFF TRAINING REGISTRATION

After completing the registration form below, Theia Health will notify the provider's assigned liaison and provide scheduling details including next available training session (remote and in-person), login credentials if remote, and required documentation. Below is a new hire training workflow for your reference.

NEW HIRE TRAINING WORKFLOW

PROVIDER LIAISON

- Schedule new hires for next schedule training class by completing the registration form
- NOTE: New hires must register before 12:00 p.m. the day prior to any schedule training sessions.
- Ensure all new hires are in attendance and each employee is provided with a training packet (including quizzes)

POST TRAINING

- Provider liaison to send completed quizzes if done remote to the Registered Nurse for scoring
- Results of quizzes will be returned to provider liaison
